BioEntry W

Outdoor Fingerprint
IP Reader/Controller

IP65 dust & waterproof
IK08 vandal-resistant
Power over Ethernet
Fingerprint & RFID

| BioEntry W |

BioEntry Plus/W exquisitely blends the benefits of IP access control with the high-level of security provided by fingerprint biometrics. Featuring a vandal-resistant structure and IP65 rated structure, BioEntry W is ideal for outdoor installations, offering exceptional durability in harsh environments. With its extensive communication interfaces and PoE capability, BioEntry W is truly the ultimate outdoor fingerprint access control device.
